

INDUSTRY STANDARD FOR AGRICULTURAL & LIGHT COMMERCIAL PROJECTS

The Grandrib series is the benchmark in the industry, manufactured from the best structural steel available. With clean, traditional lines, the Grandrib series offers a visually appealing metal roofing and siding solution with superior durability, longevity and resistance to environmental elements.

PROTECT YOUR ASSETS WITH CONDENSTOP®:

factory-applied CondensStop® fleece stops condensation from forming by absorbing and storing water vapor that forms when the temperature of the metal roof drops below the dew point.

*CONDENSTOP SHOULD ONLY BE USED ON OPEN FRAMING JOBS.

RECOMMENDED
PITCH:

2½:12
AND ABOVE

GAUGE:

29

- 36" Coverage with ¾" Rib Height
- Liner Panel in Painted Galvanized – White Only
